Dear Minico Basketball Supporter:

Thank you for supporting our programs throughout the years! This is a direct correlation between the success of the basketball programs have had with our community support. Our community does an outstanding job of helping our youth programs develop student athletes. Part of the fulfillment felt by our student athletes can be directly attributed to your support. We regularly remind our athletes that they represent a community who cares and invests in them. In turn we expect our players to be ambassadors for our schools and community. Your investment makes it easier for us to run quality programs. The present and future of Minico Boys and Girls Basketball is very bright. If you were able to watch our teams play last season, you noticed how fun they were to watch and how hard our kids worked.

We are excited to prepare for our **10th Annual Minico High School Basketball Club Golf Scramble**. Thanks to you, each of our golf scrambles has been a huge success! Each year it grows, and those who participate have a great time. Our heart-felt thanks go out to all of our sponsors, prize and cart donors, golfers, volunteers, and the Rupert Country Club for making it so successful.

The scramble is being held to raise funds for the boys and girls basketball programs. The funds will be used to cover costs of uniforms, tournament entry fees, travel, equipment, and anything else needed for the teams.

The scramble will be held again at the Rupert Country Club on **Thursday, July 28, 2016**. Collared shirts are required by the Rupert Country Club. Teams and individuals will begin signing in at 8:15 a.m., and the shotgun start will be at 9:00 a.m. The deadline for registration is Monday, July 25th.

We are excited to work with you in supporting our basketball program at Minico. You can show your support in the following ways:
